

# Quilled Paper Craft

Make beautiful designs and pictures from rolling, shaping and gluing spiralled paper together.

You will need:

- Chopstick or pencil (to wrap the paper around)
- Glue
- Paper cutter or scissors
- Coloured cardstock or cut up junk mail and boxes

Instructions:

1. Cut strips of card up to 1/2 inch wide using scissors or a paper cutter
2. Using your chopstick/pencil, tightly wrap a strip of paper around it.
3. For a teardrop shape, pinch one end or for a petal shape, pinch both ends.
4. Glue the quills onto your picture in the design of your choice.

With special thanks for their continued support
